

Rhythm & Movement

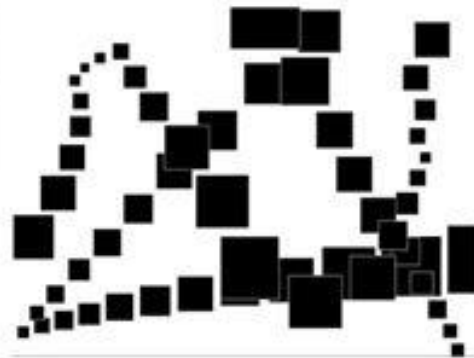

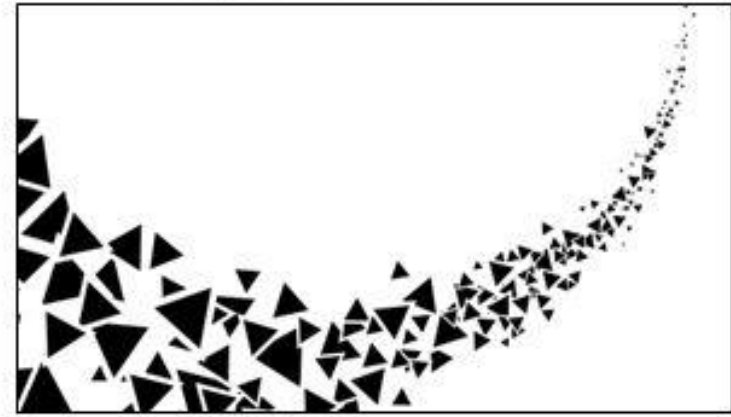

The visual movement through a design— can be *flowing* or a **Beat**.

USE:

Repetition

or

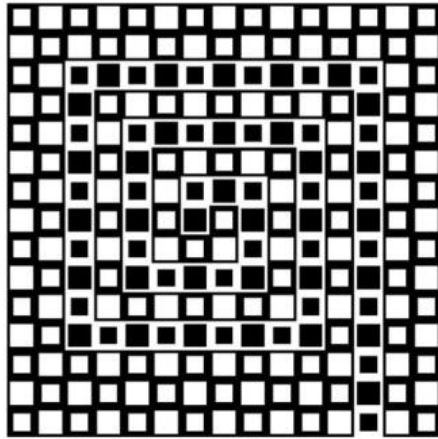

Progression

Rhythm & Movement

A regular repetition of the elements of art can create a sense of rhythm & movement.

RHYTHM IS ALL AROUND US!

Rhythm

Tony Cragg

Rhythm

Alexander Calder

Movement

- To create the illusion of action and a sense of motion
- guides the viewer's eyes throughout the artwork

Barbara Hepworth

MOVEMENT

- Movement is created by using Elements of Art to give the feeling of motion and to guide the viewer's eyes throughout the artwork.
